

SERVICE AGREEMENT TERMS AND CONDITIONS

1) GENERAL

The Juch-Tech Inc. Internet service is herein referred to as the “service” and is provided by Juch-Tech inc. (hereinafter the “Service Provider”) to the Customer.

2) CONDITIONAL USE OF SERVICE

The Customer is solely responsible for all access to the service through his account. By accessing and using the Service, the Customer agrees to the within terms and conditions of this Agreement, including without limitation all provisions regarding fees, charges, payments and the Customer further agrees to comply with and use the Service in accordance and compliance with the Acceptable Use Policy attached by way of internet link noted in paragraph 8 herein.

3) FEES AND CHARGES

The Customer agrees that the Service is provided to him subject to the Customer's timely payment of all issued invoices for the Service which are issued monthly and cover the period from the first to the last day of each month and payable in advance of the service month as noted on the due date of each invoice.

ACCEPTABLE FORMS OF PAYMENT

The Operator must be paid in full via one of the following payment forms:

- a) Direct wire into Canada; or
- b) Deposit into a designated Bank account in Nigeria; or
- c) Money Transfer via Western Union; or
- d) Money Transfer via Money Gram.

NOTE: Customer is solely responsible for paying any and all fees to affect payment, including but not limited to banking wire fees.

TERMINATION FOR NON-PAYMENT

The Service Provider reserves the right to suspend and/or terminate the Service if Customer's payment is not received by the due date.

REFUND

The Customer may ask for a 24 hours test for commissioning a site to determine suitable bandwidth for it. If granted, no fee will be charged for this test. Once payment for one month subscription is made, Customer agrees that no refund of money will be done. Remaining balance may be transferred to another Customer of Juch-Tech Inc. or credited to another site(s) belonging to the same Customer.

SITE DECOMMISSIONING AND DISCONNECTION

There is not fee for initial site commissioning or set-up. Thereafter any Customer requested recommissioning/reconnection following a decommissioning/disconnection shall be subject to a commissioning/set-up fee of USD \$100.00 (one hundred U.S. Dollars) for four or more sites which must be paid in advance of any service being provided. No site will be recommissioned/set-up unless all arrears, interest and monthly fees are remitted in full in advance.

4) THE SERVICE

Juch-tech's service includes:

Unlimited throughput
